Saturday/Sunday, June 2/3, 2018

Don't put your unwanted items in the garbage. Set them out on the curb side during Free Give Away Weekend. For those who like a bargain, there is no better deal than touring your neighborhood, community and city to find items that are marked FREE. Rules for "Kick it to the Curb":

Place items in the driveway in front of the garage doors at the maintenance shed
Mark items with the word FREE
The town will pick up remaining items at the end of weekend.

Things to kick to the curb could include:

- Books/CDs/DVDs/Dishes/Pots/Pans
- Old furniture and small appliances,
- Construction materials -including drywall and hardware such as nails, bolts and screws
