News Flash

We are in the process of developing a Web Site for Woodland Court Condominium Association.

www.woodlandcourt.ca

The purpose of this is to provide information to Owners and Tenants. The site is still in development but is well under way.

One of the primary functions of this site is to provide information, archives of data, forms etc. If you have previously requested to have copies of the general meetings minutes emailed to you - you will now find the minutes archived on the website and easily downloadable.

If your unit is a rental unit, you will find the required forms and information at the site as well as an archive of misc information.

You will find an array of downloadable files and documents at the bottom of the home page.

Please visit the website to familiarize yourself with the content. Check it occasionally to find out what's new.

We welcome your input, suggestions, ideas, feedback.
